Awe-inspiring idyllic natural landscapes, offering wonderful areas for slow travel to connect with local culture. Often referred to as the 'Hawaii of Europe', discover the stunning archipelago that forms the Azores, a collection of nine volcanic islands. See spectacular scenery in São Miguel, known as 'the Green Island', with guided hiking tours around the caldera of Sete Cidades, home to vast panoramas of green and blue hues. Learn the origins behind Europe's oldest tea plantations, and venture to enchanting depths at Algar do Carvão as you explore the inside of a volcano on Terceira Island. Surrounded by Atlantic waters, the Azores are considered one of the prime European locations for dolphin watching to spot them in their natural habitat.

Arrive in Ponta Delgada, Portugal and proceed through immigration and customs formalities. You are then met in the terminal's arrival hall by an A&K representative and transferred to your hotel.

This evening enjoy a Welcome Cocktail and Dinner Party.

Embark on a morning cruise to watch for whales and dolphins. As you behold these magnificent mammals, learn about them and other Azorean marine life from the experienced resident biologists who accompany you throughout the experience (3 hours).

Return to Ponta Delgada to enjoy lunch at leisure before embarking on a visit to Sete Cidades. The tour begins at the pineapple greenhouses, a classic stop in São Miguel. Discover the unique atmosphere and the warm, earthy air inside the glass. Afterward, taste the delicious pineapple liqueur. Next, head toward Sete Cidades. The road goes up, and you suddenly reach the Vista do Rei viewpoint. Stop here and take in the view of two lakes—one blue, one green—side by side in the crater, an iconic scene of the Azores. Descend into the crater and see Santiago Lake, surrounded by trees and lush vegetation. Before reaching the center of Sete Cidades village, get a sense of the quiet, local daily life. On the way back, pass by Pico do Carvão. From here, see both coasts of São Miguel at once. Take a moment to breathe in the real spirit of the Azores before your day ends. (4 hours, driver and guide)
