

Dear Travelers,

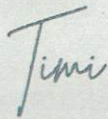

We are so thrilled to provide you with the first travel directory since Lifestyle Tours has become part of the Timi's Tours family! When I started my company in 2006, I dreamed of offering Central Illinois world-class group travel opportunities, but I couldn't have imagined the tremendous reception we have received over the years. Now, that dream continues to be further realized as we have acquired Lifestyle Tours. This expansion has particular meaning to me as in a way, I am "coming home" to Indiana.

My parents were born-and-raised in Indiana, and relocated to Illinois for a work opportunity shortly after I was born. Not long thereafter, they opened a jewelry and gift store that was an integral part of the community for over 50 years. Now, Timi's Tours headquarters are located in the same building my parents worked out of for the rest of their lives. I know they would be so proud to see our business expanding into the area that was their home. It's a beautiful, full-circle moment for our family and we can't wait to share all the experiences in store with you!

In life, we all could use a little adventure and great times with friends, and that's what we want you to experience when you travel with us. The following pages hold the first trips we have curated to share with you all, and we couldn't be more excited! Make sure to follow us on Facebook and attend our Christmas Open House in December, as several new trips will be announced in the coming months.

Whether you've traveled with Lifestyle Tours for years or this is the first time you're hearing about the company, we look forward to welcoming you as our guest on a trip soon. When we plan a trip, envisioning you having a priceless experience every step of the way guides and inspires. You are at the heart of everything we do, and it is truly a privilege to journey with you on our tours while sharing in your laughter and creating memories together.

See You Soon,
