## HAPPY NEW YEAR - 2026

As we step into a new year, I want to thank you for trusting me with something deeply personal - your time, your dreams, and your journeys.

Travel is more than moving from one place to another. It is about perspective, connection, and moments that stay with us long after we return home.

Whether you are dreaming of a quiet river cruise, a once in a lifetime expedition, or a simple escape to recharge, my role is to help you travel with clarity, confidence, and care.

I look forward to helping you explore the world thoughtfully and meaningfully in the year ahead.

## COMING SOON:

### TWO EXTRAORDINARY JOURNEYS

#### **Magdalena River Cruise, Colombia With AmaWaterways. (2028)**

A rare and immersive river journey through Colombia's Magdalena River, sailing deep into the heart of the country's culture, music, history, and biodiversity.

Expect small-group experiences, vibrant towns, rich storytelling, and the comfort and service AmaWaterways is known for.

This is river cruising far beyond Europe.

#### **26-Day Northwest Passage With HX Expeditions (2027)**

A true expedition voyage tracing one of the world's most legendary and remote sea routes, sailing through the Canadian Arctic and Greenland.

Designed for curious, adventurous travellers seeking wildlife, polar landscapes, Indigenous history, and the thrill of exploring places few will ever see.

**We are planning to sail these incredible journeys ourselves and invite you to contact us if you are interested in more information and/or would like to join us.**

By most estimates, fewer people have completed the Northwest Passage than have reached the summit of Mount Everest, making this one of the world's most exclusive exploration journeys.

# Navigating Cruise Line Offers

This section highlights current cruise line offers and, more importantly, how I help you interpret them. Not every promotion delivers real value, and my role is to identify which incentives genuinely enhance your cruise experience rather than simply lowering a headline price.

Cruise fares and promotions are set by the cruise lines, so booking through me never costs more than booking direct. Where available, I may be able to secure added amenities or exclusive benefits at no additional cost, though these are not guaranteed. What is always included is personalized guidance, strategic itinerary planning, and dedicated support before, during, and after your cruise, so your decisions are informed, confident, and aligned with how you actually like to travel.

**Links are available below for you to look at current sailings available that can be combined with the offers highlighted above.**
