3. Commission applies only to published fares.
4. In case of stopover of more than 24 hours, the commission applies according to each segment.
5. Most restricted commission applies to the entire itinerary.
6. No commission allowed on manual stored fare.

Terms & conditions of this exhibit are to be kept strictly confidential.

Terms and Conditions

General Conditions for Base Commission

a) Applies on tickets issued with Aeromexico plate (139)

a) Applies bi-directionally

b) Does not apply on trans-border routes (US-MX)

c) Does not apply on interline flights

d) Commission application according to fare class:

e) In case of a stopover of more than 24 hours in an intermediate point, the commission applicable to each segment where fare is broken will be applied.

f) No retroactive compensation will apply.

g) Commission application according to fare class:

***Tickets with the same fare class in all the segments:**

- Agency will take the commission that corresponds to the fare class according with the contract.

*** Tickets with different fare class and just two equal segments:**

- Agency will take the lower commission for the entire ticket
